Tuition Change

Beginning January 16 our new tuition changes become effective. We sent a letter out at the beginning of December informing our families of this change. Please let us know if you have any questions.

*Thank you,
Cindy Thornton
Director IMH-E (1)*

MyProcare.com

We have worked extremely hard during this past year to transition all of our families over to Tuition Express, which is the system we use to process tuition. Beginning in 2019, we will be inviting our families to pay on-line through our myprocare.com. This will provide all of our families' direct access to manage their child's account. Please verify you have a current email address on file because this is directly linked to the website.

As a reminder if you need to make special arrangements to pay your tuition please see the office so we can assist you. We will be happy to assist families with a payment plan however, this has to be in writing and approved by me. –Cindy (Director)

Tax Statements

Once you have registered with myprocare.com, you will have direct access to tax statements. Please let us know if you need any assistance.
