

# FORWARD IN FAITH

## Successful Capital Campaign

Many thanks to all who have shared their treasure in helping move us closer to our vision to become the best manifestation of Christ's Church we can be. Through your generosity, we are nearing our goal. As of October 31, 2019, we have raised **84% of our goal** with

**\$1,891,010** in pledges and gifts from **167 parish families**, our **2018 and 2019 Lakeside Family Festivals**, our **Women's Guild** other friends. With these gifts and pledges we have been able to proceed with our construction projects and youth ministry program.

## It's not too late to join the Campaign!
