

Our Catholic Life

Those in religious life serve the Church in many different ways. Imagine that you have chosen to follow Jesus in the religious life. Write a letter to a friend telling him or her of the many ways you serve the Lord.

Dear _____,

My days are so busy serving the Lord!
Some of the things that I and other
members of my community do are

I am so proud to serve the Church
through religious life. Have you ever
thought of joining me in following God
in the religious life? Think and pray
about it.

Yours truly,
