# Michigan Migration

Many African Americans moved north to Michigan during the Great Migration. Read the questions below and explain why people chose Michigan for their new home. For help, see pages 179-182 of your textbook.

1. Why do you think African Americans left the South to come to the North?

---

---

---

2. Why did so many African Americans choose Michigan the place as the place they wanted to live?

---

---

---

3. What sort of neighborhood did the new Michiganians move into?

---

---

---

4. What sort of work was available for the African Americans moving to Michigan?

---

---

---

5. What sorts of challenges did they face when they got there?

---

---

---
