If the season is cancelled for any reason we will offer prorated refunds- meaning if the season is cancelled half way through the year- we will refund half of the registration fee (this does not include the \$100 late fee).
- The MHSAA does have a plan in place to possibly suspend the season until Spring 2021. If this ends up being the case and your circumstances permit you where you cannot play on the new spring start date we will prorate your fall season for a refund.
- All Physicals and Concussion forms that were filed for SJA athletes for 2019-2020 seasons are permissible for the 2020-2021 Athletic Seasons. Returning athletes will need to instead fill out a "Returning Physical Form" permission slip instead. Only Athletes who did not play SJA sports in the past academic year will need to provide a new Physical Form. Click below for forms you may need.

Description of Program/Levels:

The St. Joan of Arc Athletics Programs mission is to educate rules and strategies of the game, develop fundamental skills and promote hard working life skills while using Athletics as a gateway to help athletes become better individuals and Christians.

Have fun. 	<p>Student of SJA School or registered member of SJA REP Program.</p> <p>SJA also allows athletes from other local parishes to participate as long as the parish they are coming from does not offer that sport and is approved by their home parishes AD.</p> <p>SJA also follows the MHSAA Limited Membership rule where athletes can play on other non CYO teams in season but cannot participate in more that 2 contests for that team. Click below for CYO Website for further details:</p>
