MONTANA: BITTERROOT LIFE CHAIN
LIFE – THE FIRST INALIENABLE RIGHT

September 8, 2021

Dear Pastor,

Perhaps now more than ever, the unborn need defenders to give voice to their right to life.

Cheryl Amabile, co-founder and editor of The Briefing writes: “As the threat of terrorism increases across the globe, it still remains that the most dangerous place in the world is in the womb. In America, one in five pregnancies end in abortion. For nearly half a century, the law of the land has, against all moral reasoning, defended and protected the “right” to kill an unborn child.”

Montana Representative Matt Rosendale says, “ I believe that we will be judged as a society on how we treat those who cannot defend themselves. This view is informed by the teachings of my faith, which holds that life begins at conception, and that all human life is precious. The Roe v. Wade decision has led to, according to the CDC, some 614,820 abortions annually. It is a human tragedy on an enormous scale that happen year after year.”

Dr. Patti Giebink is a doctor who used to do abortions for Planned Parenthood but who now has been set free by the blood of Jesus. “My job as a doctor was to save life. But what about the life that has no voice? What about those we can’t physically touch, listen to or speak with? Did they matter? Those people matter as much as you and I do.”

On October 3rd, we will take a stand and be a voice for the unborn. On that day, The National Life Chain will hold the 34th annual silent prayer vigil across the USA and Canada. Our link – the Bitterroot Life Chain - will be held from 2:30 to 3:30 pm in Hamilton, MT along both sides of Highway 93 from Pennsylvania to Desta Street.

If you are as yet undecided, there is still time to encourage your congregation to join you in attending the one hour of silent prayer on October 3rd in Hamilton. This time is considered an extension of our worship service, not a rash public demonstration.

If your church has attended previously, have them to go directly to the location where they stood in the past. The weeks before, ask for a volunteer to be the **contact person** for the group and direct all who will attend to let him or her know so there is an accurate count of the group.

The registration table will be set up at Cornerstone Realty and registration will begin at 1:30. Because that space is small, to avoid confusion and crowding, it is best if **only** that volunteer will go to the registration table to sign in for the group, pick up the correct number of signs for everyone and come to where your group is standing. Reversely, when the event is over, that same person will collect the signs and bring them back to the registration location and let us know the number of people attending from your church.

The participation of your church is a vital part of the Life Chain, so I am praying you see this as an opportunity to be used by the Lord in the battle against the evil of abortion in our nation. If you have any questions, please call me at (406) 777-7328.

for Him,

Dianne Orton
