Teacher Conferences

Dear Parents,

We had a busy short week with testing and pictures all rolled into 4 days!

The children adjusted very well to the new NWEA MAP tests that began this week. This testing is replacing the Star test which students took in previous years. Our upcoming test days and subjects are listed below. These assessments are done in the computer lab and are used to guide instruction. Please make sure that your child gets a good night's sleep and eats a good breakfast!

Monday, September 9th—Fluency

Friday, September 13th—Reading

We will take our first spelling and reading tests on Tuesday, September 10th. We will review for the test in class, and students should review the vocabulary and spelling words at home as well. On Wednesday, we will begin our next reading lesson. Be on the lookout for the new spelling words in your child's planner at the end of next week.

Our first book order is due on Friday, September 13th. Ordering books from Scholastic Book Clubs is a great way to build your child's personal library at home, but it also helps our class win prizes and earn free books!! Visit the link below to browse the online flyer or order books. Our class code is RGF2J.

Have a great week everyone!

Blessings,

Miss Kincer
