Being Home is Awesome!

Volume 1 Issue 1

Welcome to my Newsletter! I am not studying all the time! Here are some of the things I am doing!

I'm reading for fun...

I am reading the best book ever, *The Squirrel in the Tree!* It is all about Chubby the squirrel who is eating all the seed in the bird feeder.

and sisters!*

ON TUESDAY WE...

Went to the zoo! That's right, the zoo was taking the Komodo dragon for a walk! It was on a leash! How crazy! Tomorrow, we get to visit the SA Aquarium!

My reflection

What did I do in March 2020:

Wow! I used many of the skills that Mrs. Tipps taught us in Computer Lit! We were on the electronic devices all day! I was able to be on the computer and my mom didn't say, "Get off the Computer!"

After dinner we had time to take the dogs for a walk. Usually, my parents get home late and we don't have time to walk the dog! We ate before the sun goes down!

It wasn't hard to stick to my Lenten promise! I gave up candy. Since we didn't go to the store, we didn't buy any candy!
