

Select one activity from the following to complete. Samples of each activities are also listed. As this is the last 3 days of the school year, a couple of these activities will provide a moment of much needed reflection.

Activity 1: Drawing – City

-Materials: White Paper, Pencil, Eraser, Color Pencils

-Directions:

- 1.) Place white paper horizontally.
- 2.) Draw at least 5 arrows of various sizes. Upside-down “V” with a vertical line from the middle that reaches the bottom edge of the paper.
- 3.) On the left and right corners of the arrows, draw vertical lines that reach the bottom edge of the paper. These will be your buildings. It will look like you are looking up to them from a corner.
- 4.) Include windows, signs, and/or doors.
- 5.) Carefully draw circles. They will look like the target logo, but with several rings.
- 6.) Use color pencils to color in.

Activity 2: Drawing – 3rd Grade Memories

-Materials: White Paper, Pencil, Eraser, Color Pencils, Markers

-Directions:

- 1.) Place white paper vertically.
- 2.) At the bottom of the paper, draw a self-portrait (starting from eyes to top of head).
- 3.) Above the head, draw a huge thinking bubble.
- 4.) Think back to the first day of school to now. What were your favorite memories of 3rd grade? Ex: when you made a new friend(s), hanging out with your big buddy, your homeroom mass, CYO games, a moment when your teacher helped you, maybe something during After School Care, etc.
- 5.) Select at least 5 memories and draw them out in your thinking bubble. You can label them.
- 6.) Use color pencils and markers to color in your drawing.

Activity 3: Reflection Drawing – Summer Bucket List

-Materials: White Paper, Pencil, Eraser, Markers, Color Pencils

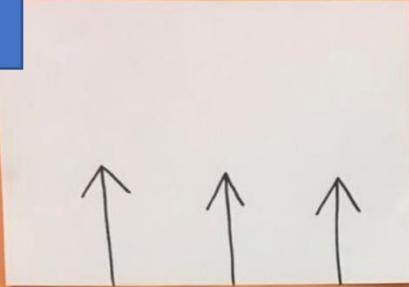

-Directions:

- 1.) Place paper vertically.
- 2.) You are to draw a large bucket. You can decorate the bucket as you please.

- 3.) Think about at least 5 summer goals. Ex: ride a bike every weekday, learn a new sport, run faster, read (#) books before summer ends, have a family movie/game night, etc.
- 4.) On the bucket, think about these goals and draw them out. You may label them.
- 5.) Use markers and color pencils to color in your bucket list.
