Prayer for the Fallen

God our creator and sustainer, today our country brings to our memory those who have defended this nation in times of trouble.

They have sacrificed their lives to protect our shores from those who would limit our freedoms or enslave us to ways that are against your will. Bring all those who have died in service to our country into your heavenly presence.

We humbly call down your blessing on those still serving; grant your heavenly protection to these men and women, and open your Sacred Heart to give them peace and comfort.

In the name of the Father, and of the Son, and of the Holy Spirit.

Amen

Please note: There will not be a Memorial Day Mass this year due to the COVID pandemic.

Dear St. Paul Parishioners,

Beginning June 9th, I will no longer be the coordinator of youth ministries at your blessed parish. I am very grateful to have had the opportunity to spend this last school year with your youth, in which we played games, shared jokes, and unraveled the mysteries of our faith. Because of you, I know many of our younger parishioners to be of great spirits and a blessing to the hearts of those they engage.

And yes, your kids have blessed me too. From the quietest to the sassiest of the youth, I have been blessed abundantly: to have escaped a flying ball thrown by Harry or Jose; to have enjoyed the great singing of Margarita; to have witnessed the beautiful dancing of Perla and the surprising strength of Paula; for having to evade the playful attacks by Gigi and the overwhelming tennis balls of Elise; for having watched many iterations of Leonard's pump fakes; to have accepted the wonderful but unwarranted dating advice from Shalia; and for having the youth share their lives with us, even if that's just freaking out about what the future holds for them. ;)

Your kids are alive and fun, and I can't help but think Jesus has something to do with it. It's not a surprise, then, to say that our best moments are when we let our hearts open up to Jesus. This ministry is one of relationship building, and I couldn't have done it without my core teams. Your parish has wonderful volunteers who know how to be there for the youth. They let your kids be themselves and show them how Jesus loves them. I trust that your youth groups will continue to flourish knowing that you have these amazing leaders in your church.

As for me, I will be entering a graduate teaching program at the University of Portland, and be assigned as a theology middle school teacher in Las Vegas. Please keep me in your prayers as I make this transition.

Thank you all for your loving support.

May God bless your community,
