Dear Parishioners,

As we continue to build our website, we will try to provide you with updates here so that you can go to the website and experience what there is to offer. There have been a few major expansions this week.

Expansion 1: The PayPal “DONATE” button has been added (previously didn’t show the actual button). Clicking on this will take you to the PayPal site where you can make a one-time donation or gift, or you can set up regular tithing amounts at the intervals you choose. This is a secure transaction through PayPal which goes directly to our church checking account. If you would like to make your tithes and offerings online, but you “feel funny” not having something to place in the offering baskets at Mass, you could always drop your empty regular tithing envelope in with the word “online” written on the outside.

Expansion 2: A “Google” map has now been embedded on the site in order to show our location and offer directions to the parish.

Expansion 3: This expansion is a link to “**My Own Church**”, your connection into the parish software system. You can click on this link and it will take you to the Log In page where you can set up your own user and password. Once this is done, you can log in to your own or your family’s own membership information. For example, if you want to have an up-to-date report on your giving history, you can view that by clicking on the appropriate menu item. You can upload a photo of yourself and/or each of the members of your family, which will go into an online pictorial directory. If you want to correct or change an address, your phone number, or an email address, you can edit each of these, as well as any other family information like birthdates. There is also a tab for Ministry, meaning that you can go into this menu to sign up as any one or more of the Liturgical Minister positions needed for each Mass. You can opt for the days you are/are not available, whether you want to serve as a family (all on the same day) or separately, or, if you are a “snow bird”, you can put those dates in that you are gone during the winter. Doing this allows the person doing the Liturgical scheduling to run an automatic scheduler. It will then keep track of how many times you have served and in what capacity, if you’d like to know that.

There are many options and advantages to logging in to “**My Own Church**”, but you are not obligated to do this. The greatest advantage is that, hopefully, the parish records will be able to be kept more current than otherwise possible.

Remember to start with our website stuartallsaints.org and click away!

Faith Formation News

This weekend (May 21-22) after each Mass, I will be in the gathering space to get your input concerning the possibility of changing Wednesday evening Faith Formation to Sunday mornings for 1st grade through Confirmation class. Please stop by and vote YES to change the time to Sunday mornings from 9-9:45 or NO to keep Faith Formation on Wednesday evenings. Feel free to comment or give other input as well. The decision will be made by the majority vote.

I greatly appreciate your assistance with this decision, and may God bless each of you in all you do.

Frequently Asked Questions about Marriage and Annulments in the Catholic Church

"And as the door of God's mercy is always open, so too must the doors of our churches, our communities, our parishes, our institutions, our dioceses, be open, because this is how we can all go out to bring this mercy of God."
Pope Francis 11.18.15

What is the difference between a "formal" annulment and a "lack of form" annulment? A marriage can be considered null because of either internal or external factors. All Catholics are required to be married following Catholic Form (the Catholic Rite of Marriage). When this element is lacking an external factor was clearly absent. Practically that means these situations are more easily addressed, and a "lack of form" annulment is approximately a sixty day process with no lengthy investigation. This is just a matter of gathering pertinent documents. If, however, Catholic Form was followed, the Tribunal must discern whether an internal factor was absent, in which case a more detailed study is necessary.
