Learn together with your family and friends as we discuss the concept of Advance Care Planning, Substitute Decision Making for healthcare decisions, provide insight into how to start the Advance Care Planning process and provide resources to continue the Advance Care Planning process.

YEAR OF MERCY REFLECTION

"The Church does not regard God's mercy as an exclusive privilege, nor does the greatness of the privilege it enjoys make it feel unconcerned for those who do not share it. On the contrary, it finds in its own salvation an argument for showing more concern and more love for those who live close at hand, or to whom it can go in its endeavor to make all alike share the blessing of salvation."- Blessed Paul VI.
