## PREP REGISTRATION

---

For children in public school grades 1 through 7, Tuesday evening catechism provides the foundation for any child wishing to begin preparing for the sacraments.

PREP offers religious formation which is a regular part of public education in some other countries and provinces. Preparation specific to the sacraments is included in these classes, and we encourage parents to register in the first grade so children can prepare and celebrate with peers their own age.

If your child has not been attending PREP or Catholic school, and has not yet celebrated their Rite of Initiation (Reconciliation/Eucharist/Confirmation), a class will be available this September for older children. We are happy to work with families to bring their children more fully into the sacramental life of the Church.

Registration forms are available at the back of the church and may be returned via the mail slot in the Religious Education Centre (near the parking lot entrance), or register by phone after May 16 at 604.596.4004. An early registration discount is available until May 31.
