### STEWARDSHIP REFLECTION

When God created the world, He declared that it was good and He gave it to all mankind for us to enjoy. However, over the years we have created a chasm between those who have great gifts and those who do not. In today's Gospel we see that with our own generosity we must bridge that gap between those who have much and those who have little or we may find ourselves on the wrong side of the chasm in the next life.
