In order to enroll in PREP your family must be registered at IC Delta Parish. If you need to be registered, please contact the Parish Office.			
Please return this form along with your post-dated cheque payable to IC Delta Parish, to the Parish office mail slot or to the mail slot in the door of the Religious Education building.			

Children must have completed a minimum of one year of religious education prior to entering the sacramental preparation class. For example, children can only be accepted into the First Communion class if they have completed L1 PREP or equivalent (or L6 for the Confirmation class).

The PREP program needs at least 30 volunteers to run! You may serve in a variety of roles from teaching, classroom assisting, administration assisting, crafts etc.
