The Catholic Church is the only universal Christian Church that has existed since the time of Jesus. Every other Christian group is an offshoot of the Catholic Church. The Eastern Orthodox churches broke away from unity with the pope in 1504. The Protestant communities were established during the Reformation, which began in 1517. (Most of today's Protestant groups are actually off shoots of the original Protestant offshoots)

Give Up Everything and Follow Jesus

Blessed are you, Father, Lord of heaven and earth: you have revealed to little ones the mysteries of the Kingdom. Our priority is the salvation of our soul. God has sent to us spokes persons for Him (prophets). The prophets divined about grace. Grace the gift from God unmerited and undeserved which we are to respond. The free gift to be ours aiding us in our search and investigation for: knowledge, wisdom, and understanding, and discerning the time and circumstances, and discerning the Spirit of Christ.

Give up everything and follow Jesus!
