Dear Parishioners, As you know, Governor Eric Holcomb issued an Executive Order on July 24, 2020, which requires the use of face coverings for everyone over the age of 7 in places open to the public. Since our parishes are open to the public and since social distancing cannot be completely observed inside, the priests and PLCs of the Batesville Deanery believe that the unified use of face coverings in our churches and other parish buildings is in the best interest of all. Effective July 27, everyone entering a church, adoration chapel, school building, parish office, or other parish building, should wear a face covering of some kind until the Governor changes the expected practice. Those who have medical concerns should speak with their pastor or PLC. We appreciate everyone's assistance in following the guidelines of the Archbishop and the Governor. Blessings and peace, Fr. Mike Keucher, VF Dean of the Batesville Deanery

August 3, 2020 A statement from the five Indiana bishops on the dispensation from the obligation of Sunday Mass attendance

"While commending our pastors and pastoral life coordinators who have gone to great lengths to assure safe worship spaces in our churches, due to the increase in the COVID-19 cases in our state, the Indiana bishops have decided to extend the dispensation from the obligation of Sunday Mass attendance beyond August 15 until November 1, 2020, unless further developments determine otherwise."
