“Note to all servers and servers-in-training: We’d like to have a training /refresher course for every St. Charles student from Grade 3 (those that have received First Communion) up to Grade 12. We would like to include ANYONE that would like to learn this very important role within our masses at St. Charles. It is NOT MANDATORY but given the long period from when servers were last available to serve, it would be a very good class to review and to help familiarize the kids with the various duties that come with serving mass. If you have not served before, we would love to see more kids serving and this would be the ideal time to learn. Our high school servers will assist with the training. The class is scheduled for Sunday, October 25 at 6pm. If you cannot make it to the session, we will find another day and time to have another training. THANKS to all of our wonderful servers – we are proud of your involvement with our church. God Bless you all! We’ll look forward to seeing you Sunday, Oct 25 at 6pm in church – parents are welcome. THANKS, Steve Knecht”

On Election Day, Tuesday, November 3, Adoration will be held in the main body of church so that it will accommodate everyone who feels called to pray for our country. The monstrance will be moved to the main altar at St Nicholas directly after the 8 am mass on Tuesday and will remain for 24 hours. Please find some time, night or day, to come pray for our country. These election results are crucial to our continued Republic and its Freedoms.

The Right to Life group has a few “Choose Life” yard signs available for our parishioners! Please consider putting one of these signs in your yard, or in a high traffic area. Your Pro-life witness is very important during this election year. The signs will be given out this weekend at both Masses.

The Spiritual Adoption Campaign will end on October 25th. Your baby will hopefully be in the arms of a caring and loving family. Or with the Holy Family in heaven. Please continue your prayers for all the babies you have adopted over the years, and for an end to our culture of death—abortion and euthanasia. Submitted by Pat Hunger.
