Thanks for Blessings Past and Present

Lord God, we gather around this table to humbly thank You for all that You have given us this past year – not just what is on this table, but who is sitting around this table. Thank you for life and laughter, for health and happiness, for relationships and memories. Thank you, too, for the lessons learned and the tears we've cried because of Your ability to grow us through them. Thank You for Your comfort and Your presence, in light of good days and bad. Thank You for what we have now, for what we had yesterday, and for what You will continue to give tomorrow. Let us never take that for granted, but to always be grateful for every good and perfect gift that comes from You. May we have hearts full of thanksgiving not only today but every day of our lives.

Seven—Eight Month Developing Baby.

You're in the home stretch with your spiritually adopted baby. He is completely formed, and has been since 8 weeks. All he is doing now is gaining weight and making his mother uncomfortable with his size. But she's not worried now. In a short time, her baby will be born. She has planned to bring her baby home or to place her baby for adoption. Either way, she knows she can receive the assistance she needs from the Catholic Church and from the crisis pregnancy centers. Your baby's mother appreciates the prayers you have said for her and her baby throughout the pregnancy. It hasn't been easy, but your prayers have given her the grace to seek the help she needs.
