## The 32nd Sunday of Ordinary Time.

Did you notice that the end of the passage doesn't fit the content of the story? All the young women in the story fell asleep. So the command, "Stay awake" must not be the point of the story. Wisdom is the real point of the story – wisdom which led the five young women to prepare themselves for their duties. They did everything they could to get ready, so they were able to wait patiently for the wedding party.
