

January 31- February 6

Dear Faculty and Staff,

It is time for me to remind you of our favorite week in school,
Catholic Schools Week 2016!

The theme for Catholic Schools Week 2016 is “**Catholic Schools: Communities of Faith, Knowledge and Service.**” Yes, it is the same as last year and the year before! The theme expresses our consistent attention to increasing our students’ faith, learning and service. Visit this site and you can read about the theme: <http://www.ncea.org/catholicschoolsweek>

Please let me know if you want to change and work on something different.
