Statement from Bishop William A. Wack, CSC, regarding
the fire at the Co-Cathedral of St. Thomas More in Tallahassee

June 5, 2019

Contact: Sharmane Adams, Director of Communications, (850) 435-3528

Today, there was a fire inside the Co-Cathedral church in Tallahassee. The cathedra and presiders' chairs were set on fire and are destroyed. The walls of the sanctuary are charred, and there is smoke damage. Thankfully, no one was hurt, and it went out before igniting the whole building. An investigation is underway.

Thank you for your prayers.
