Catholic Youth Sports League Delays Start of Fall Sports

PENSACOLA, FL (Aug. 1, 2020) – A letter sent to Catholic Youth Sports League (CYSL) parents July 31, 2020, from the director of the organization, Tony Howard, stated that there would be a delay in starting fall sports.

“The CYSL board, in collaboration with our Superintendent of Catholic Schools and myself, has decided to delay the start of fall sports. The board will meet again Oct. 1 to assess the current situation, with the hopes that a shortened three-season year could still take place. Information regarding specific sports is not available; all will be considered as we learn more and prayerfully discern next steps, keeping student and volunteer safety our top priority,” Howard said.
