St Mary's School
Baker 1

My progress

The screenshot shows the Mathletics primary interface. At the top, there are four main navigation buttons: 'Learn' (purple), 'Explore' (orange), 'Play' (green), and 'Review' (pink). To the right of these buttons is a blue box showing '0 points this week' and a 'Logout' button. Below the navigation bar, the main content area is divided into several sections. On the left, there is a 'Topics' section with a list of items: 'REVIEW Numbers and Operations', 'Number and Operations 1', 'Number and Operations 2', 'Algebraic Reasoning', and 'REVIEW Geometry'. In the center, there is a large yellow calculator icon. On the right, there is a profile section for 'St Mary's school' with a 'Baker 1' label, a search icon, a pencil icon, and a 'My progress' section with a pie chart. A callout box with a white background and black border is positioned over the 'Learn', 'Explore', and 'Play' buttons. It contains the text: 'Students can Learn, watch videos or play.' Three red arrows point from the text in the callout box to the 'Learn', 'Explore', and 'Play' buttons respectively.

Students can Learn,
watch videos
or play.
