

1st 9 Weeks Kindergarten Syllabus

Virtues in Practice

Our school is beginning a new, three year program, *Virtues in Practice*, by the Dominican Sisters of Saint Cecilia. Through this program children in all grades will have the opportunity to deepen their relationship with Jesus by imitating His life and virtues. The entire school studies the same virtue each month. Students will be recognized for best exhibiting the virtue of that month. Their name and picture will be added to the beautiful school Virtue Tree across from the office.
