

SUGGESTIONS FOR WORLDWIDE **FertilityCare™** WEEK

- Send mailings to your clients informing them of the week and thanking them for choosing **FertilityCare™**.
- Offer to speak after each mass about FertilityCare and have an information table set up in the back of the church.
- Organize a special Mass and provide thoughts for the homilies or for the intercessions to be used at Mass.
- Inform your Bishop as soon as possible and request a letter or article in your Diocesan Newspaper. Send a mailing to priests, pastoral ministers, and deacons.
- Send a gift such as “Women Healed” or “The NaProTechnology Revolution” or CD of one of the Annual Meeting presentations to interested persons and supporters.
- Organize and sponsor a high school or Confirmation class essay contest.
- Organize those interested in meeting for Eucharistic Adoration and provide hospitality to follow.
- Have a mother-daughter, father-son program that week.
- Send announcements to your supporters about the celebration.
- Organize a homily contest for seminarians.
- Organize displays in hospitals, Catholic Charity offices and Physician practices.
- Place Announcements in parish bulletins, local newspapers, etc.
- Use Social Media to advertise your services, to provide an informational “tidbit” each day of the week, etc.

SUGGESTIONS FOR USE OF **FertilityCare™ Week** PowerPoint Presentation

- This year's PowerPoint Presentation can be used as a promotional presentation to encourage attendance at an Introductory Session.
- Use in Marriage Preparation programs.
- Print and post individual slides in churches, schools, physician offices, etc.
- Develop inserts for parish bulletins or mailings.
- Set up table displays in physician practices, lobbies, diocesan offices, churches and waiting rooms using a poster board or display board for table presentations.
- Print the slides on small cards that may be included in Introductory Session Packets or given out like a business card with your contact information on the back.
- Enlarge slide into a poster or banner. This can often be done economically at a local copy center. (Any slide, depending on your needs, can be made into a poster).
- Use as a loop on the screen during coffee and donuts or while people are waiting for the Introductory Session to begin or at the end when scheduling appointments.

Have a celebration and invite Fertility Care Practitioners, Instructors, Medical Consultants, staff and supporters to celebrate friendships and support each other in your work.

- Insert the flyers into Introductory Session Packets.
- Use flyers in newsletters, newspaper announcements, and mailings to promote the **FertilityCare™** Center.

NOTES:

SUGGESTIONS FOR USE OF **FertilityCare™ Week Poster** (Any slide in the PowerPoint can be printed as a poster)
