# *By couples, for couples: hospitality, fellowship, inspiration*

## *Marriage Renewal Workshop is...*

A weekend retreat for couples who wish to strengthen their relationship or deepen their sense of belonging to their Catholic community. A program created by couples for couples, it seeks to support the Sacrament of Matrimony by creating opportunities for spouses to experience God's unconditional love, boost their relationship skills, and motivate them to share their gifts in active service to other couples and the greater community. Marriage Renewal welcomes all couples, whatever the state of their marriage, whether it can use a little refreshing, or needs a bit more serious rejuvenation. This workshop content is endorsed by The Area of Marriage Enrichment and Parenting Education of the Office of Family Life ministry of the Archdiocese of Galveston-Houston.
