who were married here Saturday. May God bless them as they begin their new lives together as husband and wife!

From the Pastor: The Picnic committee did a wonderful job and it was a success. Thank you to everyone who was involved: the committee, the workers and to all who prayed for good weather. God was good to us; the weather stayed clear for us even though there was scattered lightning in the area.

According to research by my predecessors, the Jesuit day books showed the following:

Good weather wasn't always the case. In 1897, the picnic was postponed for two days and then finally held on the third day.

In 1893, it was recommended that in the future:

- A 5 cent admission fee be added in order to keep out tramps;
- The ladies be given a measure for sandwich making; and,
- The dance pavilion be railed off.

In 1895, Mother Ignatia kept the sisters at the convent in the morning for fear of wet grass. They were allowed to go the picnic at Noon.

Did you remember we have our very own Sacred Heart rosaries

and Jackie Klunk's cd both for purchase here at the Parish Office? Call for more information 637-2721.
