**Pastor's Column:** On Tuesday, February 11, the Church celebrates the first apparition of the Blessed Mother to St Bernadette. The following is taken from a letter by Saint Marie Bernadette Soubirous:

The third time I went the lady spoke to me and asked me to come every day for fifteen days. I said I would and then she said that she wanted me to tell the priests to build a chapel there. She also told me to drink from the stream. I went to the Gave [de Pau], the only stream I could see. Then she made me realize she was not speaking of the Gave and she indicated a little trickle of water close by. When I got to it I could only find a few drops, mostly mud. I cupped my hands to catch some liquid without success and then I started to scrape the ground. I managed to find a few drops of water but only at the fourth attempt was there a sufficient amount for any kind of drink. The lady then vanished and I went back home.

I went back each day for two weeks and each time, except one Monday and one Friday, the lady appeared and told me to look for a stream and wash in it and to see that the priests build a chapel

there. I must also pray, she said, for the conversion of sinners. I asked her many times what she meant by that, but she only smiled. Finally with outstretched arms and eyes looking up to heaven she told me she was the Immaculate Conception.
