Pastor's Column: Through the efforts of the crusader Berthold, a group of hermits living on Mount Carmel were organized into an Order after the traditional Western type about the year 1150. Oppressed by the Saracens, the monks slowly emigrated to Europe. During the night preceding the sixteenth of July, 1225, the Blessed Virgin is said to have commanded Pope Honorius III to approve the foundation. Since the Carmelites were still under constant harassment, the sixth General of the Order, St. Simon Stock, pleaded with the Blessed Virgin for some special sign of her protection. On July 16, 1251, she designated the scapular as the special mark of her maternal love. That is why the present feast is also known as the feast of the Scapular. The scapular, as part of the habit, is common to many religious Orders, but it is a special feature of the Carmelites. A smaller form of the scapular is given to lay persons in order that they may share in the great graces associated with it. Such a grace is the "Sabbatine privilege." In the so-called *Bulla Sabbatina* John XXII affirmed that wearers of the scapular are soon freed from the flames of purgatory, at least by the Saturday after death. The confirmation of the *Bulla Sabbatina* was promulgated by the Sacred Congregation of Indulgences, July 4, 1908.

A SUMMER BLESSING

May you walk with God this summer in whatever you do, wherever you go.
Walking with God means...
walking with honesty and with courage,
walking with love and respect
and concern for the feelings of others.
May you talk to God this summer and every day and in every situation.
Talking with God means...
praying words of praise for the beauty of creation,
saying prayers of thanks for friends and good times,
asking God's help in all your decisions,
expressing sorrow when you have failed.
May you talk with God every day. Amen
