## Prolife Prayer for our President and Elected Officials

Lord God, Author of Life and Source of Eternal Life, move the hearts of all our public officials and especially our President, to fulfill their responsibilities worthily and well to all those entrusted to their care. Help them in their special leadership roles, to extend the mantle of protection to the most vulnerable, especially the defenseless unborn, whose lives are threatened with extermination by an indifferent society. Guide all public officials by your wisdom and grace to cease supporting any law that fails to protect the fundamental good that is human life itself, which is a gift from God and parents. Mary, the Mother of the living, help us to bear witness to the Gospel of Life, with our lives and our laws, through Christ, Our Lord. Amen
