Pastor's Column: It is a great joy to be with you here at the parish of the Sacred Heart of Jesus! It has also been a joy to get to know our parish and school staff these last couple of days. This feast of All Saints is a great reminder that those who have died in the peace of Christ are not permanently dead. In fact, Jesus often referred to death as "sleep." The resurrection transforms physical death into something like sleep. So we remember that the holy ones who have died from the beginning of time until recently are still part of our Church, their voice and input still matters, and they care about us and what is happening in our world. All you holy men and women, saints of old, pray for us!

Election Prayer

Almighty God, Lord of Life of all Nations, we beg you to look kindly upon our Country and help us to wisely choose our new leaders. Inform our consciences and enlighten our judgement, that we may elect those who will mercifully uphold justice and strive to protect the least among us. Help us to discern which candidates will uphold both the letter and spirit of the law. May our Nation once again respect religious freedom, authentic marriage, the importance of family and the values of every human life – from conception to natural death. Heal the divisions which wound our unity and help us to overlook political tensions that keep us from becoming a united force for good. May our great land, built on both personal responsibility and charity towards the less fortunate, always balance prosperity with care for the elderly, the poor, the sick and abandoned. In concert with the great founders of our Nation, may we confidently proclaim, "In God We Trust" Amen.
