### Natural Family Planning Awareness Week July 25<sup>th</sup> – 31<sup>st</sup>.

Testimony from an NFP couple: "Two years after joining the Catholic Church, my wife and I began practicing Natural Family Planning. I found that the chastity required me to get through the periods of abstinence caused profound changes in me...I became

grateful for all God had given me, most of all for my wife. My appreciation for her and all that she gives me grew, improving an already good 20-year marriage." From the book Fletcher Doyle, "My Slogan-Practice Saved Sex!" Available at: [www.usccb.org/issues-and-action/marriage-and-family](http://www.usccb.org/issues-and-action/marriage-and-family)

**Thanks to all who volunteered or patronized our "carry-out" Picnic this year. Hopefully next year we will have the full Picnic!**

### An Update on the Paintings

**Historic Paintings:** The three paintings are coming along well. However, the timeframe for reinstallation has changed. For various reasons, it seems opportune and wise to do some other work on the three altars and to the frame of the Sacred Heart painting before reinstalling the paintings. Deacon Chris and I are working with Evergreene to get more clarity about the work to be done. Meanwhile, the finance council has approved this additional work which will probably take another month. So it looks like it will be a few more months before the paintings are reinstalled. Yet, it will be worthwhile to wait a little longer.
