Second Collections

Periodically, the diocese asks us to take up a second collection for some charitable work. This weekend, we have a second collection intended to assist Haitians devastated by the recent earthquake. If you would like to make a donation for this collection, please place the donation in an envelope provided in the pews and checkmark "Second Collection."

Our parish already passes the basket twice at each Mass. Instead of passing it three times at Masses when there is a second collection, you may place all of your donations in the collection basket at either time it is passed. As long as the donation is marked properly, it will go to the proper place. All unmarked loose cash will be donated to the parish.

Every week we highlight a business that has advertised on our Bulletin. Please remember to patronize our advertisers and let them know where you saw their advertisement. This week we would like to thank **Strausbaugh Auction Service** for their advertisement on our Bulletin!
