

Parents, teachers and students.....

Box Tops for Education is the easiest way to raise money for Cheverus School and our students have a reputation of doing a great job!!

All you have to do is clip the box top coupon off of the packaging of participating products and send them in to school with your child.

Please go to [www.boxtops4education.com](http://www.boxtops4education.com) for a list of participating companies. You can also print coupons for participating products from this website.

Keep your Box Tops organized by printing a sheet from the box top website and taping 10 box tops per sheet. Please make sure that your child's grade and homeroom are marked on sheet.

As always we are having a contest to see which classroom can collect the most Box Tops!!
