

Help us protect our Cheverus Community with these 4 easy steps

If child is sick, keep them home.

If symptoms persist, see a doctor.

If exposed to COVID-19 or if a family member has been exposed, child must quarantine for 14 days before returning or present proof of negative test results.

If keeping your child home. Please call the office 781-324-6584 or email diana.palacios@cheverusschool.com and inform us of the reason of absence. Thank you.
