Re: Your donation for our Christmas Gift Card Drive

Dear Students, Parents, Faculty and Staff,

Your wonderful donation of over a \$1000 enabled us to help 15 families have a brighter Christmas. When added to SVdP members' and friends' donations we had over \$2000 to give. We were able to give each family an average of \$50 per child so that they could purchase gifts.

Thank you for your generosity and we wish you all a very blessed and merry Christmas. May this joyous season bring you peace as we celebrate our Lord's birth.

Yours in Christ,

Robin Jorgensen  
President
