

Confirmation Preparation Readiness Assessment

The purpose of this assessment is to determine whether you are ready to receive sacrament of confirmation. The assessment isn't graded or pass/fail. It is designed to determine whether you are ready to receive the sacrament of confirmation. If you aren't ready right now it doesn't mean you can't be ready later. Please answer honestly and don't give the answers you think I want or what your parents want. Ultimately the answers you give are between you and God. He knows our every thought. He knows our hearts. He loves us.
