A FRESH PERSPECTIVE ON THE SUNDAY READINGS HIS WORD TODAY by Rev. William J. Reilly

Consider the lilies...

“Therefore I tell you, do not worry about your life, what you will eat or drink, or about your body, what you will wear. Is not life more than food and the body more than clothing. Look at the birds in the sky... learn from the way the wild flowers grow. Your heavenly Father knows all that you need... Seek first the Kingdom of God and his righteousness and all these things will be given you besides.”

Did you watch the evening news and the early programs on television last night? You were offered countless remedies for diseases of every kind. You began thinking about illnesses you never knew existed. ‘Take this, but be careful about the side effects.’ ‘If it does not go away consult’, or better, tell your doctor. That ache, disease or discomfort invades your life without even looking for it. Jesus’ the divine physician, summons us to worry about what really matters, our spiritual life and the health He offers us. Paul tells us to ‘put on Christ’ using the example of clothing. These are the real worries for us all as we strive to live wholesome and holy Christian lives. They offer the remedy. How many of us, or those in rehabilitation, need crutches, canes or walkers and even wheel chairs to remain mobile. We use them to seek what we need and to get where we wish to go. Apply these images, as Jesus did, to have a sound, safe and healthy spiritual life, founded on prayer, sacraments and good works.

Please keep in prayer the sick & homebound:

**UNA FRESCA PERSPECTIVA DE LAS LECTURAS DOMINICALES
SU PALABRA HOY** por el Reverendo William J. Reilly

“Jesús dijo a sus discípulos: No son los que me dicen: ‘Señor, Señor’, los que entrarán en el Reino de los Cielos, sino los que cumplen la voluntad de mi Padre que está en el cielo... Entonces yo les manifestaré: ‘Jamás los conocí.’ Porque nosotros estimamos que el hombre es justificado por la fe, sin las obras de la Ley.”

Muchos de nosotros estamos acostumbrados a utilizar control de crucero al manejar. Se activa cuando alcanzamos cierta velocidad en la carretera. Cuando frenamos se desactiva. Cuando volamos se nos informa de nuestra altitud y velocidad. Cuando nos aproximamos a nuestro destino tanto la velocidad como la altitud bajan. La gente que aborda un barco de crucero goza de un cambio de paso. Los cristianos encontramos la velocidad cómoda, nos relajamos y asumimos que todo va bien. No crecemos en nuestra vida espiritual, ni nos desviamos de nuestras normas y prácticas. El pasaje de hoy, que forma parte del sermón de la montaña, nos llama a abrir los ojos y pensar. No puedo asumir la salvación, sino que necesito detenerme ahora mismo y preguntarme qué desea mi amado Padre. Debo tomar un minuto y preguntar ‘¿qué desea El para mí, en este momento y lugar?’ San Pablo nos dice que lo que El desea es que toda la gente se salve y llegue a conocer la verdad. ¿Estoy dispuesto a desactivar mi control y moverme en la dirección que el Padre me está llamando?
