Service Hours Commitment

Holy Family School depends on the help and support of our valuable parents. Service hours are required yearly from each family. Service hours can be done in a variety of ways. One of the easiest ways to earn hours is doing Lunch Duty. This helps the staff greatly. Some other examples of volunteer opportunities are helping with our Tricky Tray fundraiser, Clothing Drives, Scholastic Book Fair, Bunny Breakfast, Gertrude Hawk & Yankee Candle fundraisers as well as attending Home and School meetings. We will be sending out many opportunities to volunteer your time using an ongoing Sign Up Genius throughout the year. We are cognizant of two income families so there will be opportunities to contribute from home as well.

Service Hours:

Each family is required to coordinate and track their service hours during the school year. An annual commitment of 15 mandatory hours per family is required.

I agree to contribute 15 hours from my family towards Holy Family School for the 2020-21 school year. I understand this is required for my child to attend Holy Family School.
