

Pray, Hope, and Don't Worry

December 2020

Dear Good Shepherd Parents,

I hope everyone had a blessed Thanksgiving and a wonderful break! This past Sunday, we entered into the season of Advent, when we begin with great expectancy, waiting, and preparation of Christ's birth at Christmas.

Congratulations to all First Quarter Honor Roll recipients. We are so proud of your hard work and dedication to academic excellence. We will celebrate your success with a virtual presentation by reading the Honor Roll names after 8:45 am Mass on Friday, December 4. Teachers will post the Zoom Link for mass in Grades 1-8 Google Classroom.

GSS HAS begun preparation for the 2020/2021 school year. A reminder that we do have a family referral incentive program. Current families may receive a discount should they recommend a new family who registers at GSS. Please contact the office for more information on the registration process and the referral program.

Cold Weather Recess will be indoors when the temperature is freezing or when conditions are wet, rainy, or snowy. However, please make sure your child comes suitably prepared for outdoor recess – gloves, scarf, hat, or hood.

Again, I thank you for the community approach in keeping our school children and staff safe and healthy. Please contact me with any concerns you may have. It really does take a village!

kindest Regards,

Mrs. G. Lavery
Principal
