LIVING OUR FAITH:

Each of us came to faith through someone else. Each of us can recall hearing about Christ from another person who meant something to us. The woman at the well shared her experience with the townspeople. Many believed upon hearing, and many more heard for themselves and believed. Even the process of believing or, rather, coming to faith is gradual. Terms like "prophet" give way to "Christ" and ultimately, in this story of the Samaritan woman, to Savior. Later in the Gospel of St. John still more titles will be used. Jesus cannot be tied down by one title or by one encounter. The initial experience leaves the woman and the townspeople wanting more. Such is the life of faith. We do not have a once and for all encounter. But a relationship with Jesus unfolds over time, ever deepening, ever revealing, until we encounter the cross and the exaltation. These mysteries we will ponder throughout our lives and share them with others, who will also ponder the same. The life of faith is shared reflection on the paschal mystery.

Questions: Jesus says, "true worshipers will worship the Father in Spirit and truth." How do you seek to worship God in Spirit and truth? In your life of faith, who have been the witnesses who have led you to a relationship with Christ?

CORONA VIRUS

In light of the directives of the Archdiocese and the State we will follow the following prevention measures:

- The sign of peace should be exchanged without physical contact
- Distribution of the Blood of Christ will be suspended
- Consideration by every individual to refrain from receiving Communion on the tongue and receive in open hands for now.

We wish our Parish family a most blessed St. Patrick's Day (March 17th) and St. Joseph's Day (March 19th).

St. Patrick and St. Joseph, Pray for us!
