

Dear Parents:

Happy All Saints Day!

The Halloween Parade was amazing! Thanks to our 7th graders, our staff, and all the parents that made this event so much fun. It continues to amaze me how close and supportive our school and parish community is. This is why I love St. Lawrence so much!

As we head into November, please keep in mind the dress code changes that come along with the winter weather. As of November 1st, shorts and skorts may no longer be worn (Skorts can be worn with leggings). Please check the handbook if you have any questions. We will still be going outside for recess unless the temperature drops below thirty degrees, so please make sure your children are dressed appropriately for the different weather conditions.

God Bless!

Mr. Detzel

Speech Team – Good luck to our Speech Team, which competes this weekend at Oldenburg High School.

Academic Corner

Each week I will try to add a new tip to help your child succeed in school.

10 Student Habits to Help Your Child Succeed in School

8. Review Test-Taking Strategies. It is normal for your son or daughter to feel stressed when taking an exam. However, there are certain strategies that will help him or her manage the stress and do his or her best on the exam. First, make sure that your child arrives on time and tries to stay relaxed. Students should be sure to read all of the directions on the exam and pace themselves so as not to feel rushed. You can let your child know that it's OK to skip around on a test, if allowed, as he or she may be more comfortable with certain topics than others.
