

St. John Paul II Chromebook Loaner Program Information and Agreement

In the event that a Chromebook is broken, JP II will provide a loaner device while the Chromebook is being repaired. Keep in mind that nothing is stored on the Chromebook itself; all data and applications are stored on the Google Cloud.

- Loaners are to be returned to Mrs. Sellmer with all accessories prior to the return of the repaired chromebook (charger and device).
- Any damage to the loaner while in the student's possession is the responsibility of the student. (If a student breaks the loaner, the parent/student must pay to have this repaired).
- Loaners are property of JP II and must be treated as such.
- All JP II RUP guidelines must be followed.
- We will assess the loaner device prior to issuing it to the student and inventory current physical damages.

How Do I Get A Loaner Chromebook?

1. Bring your chromebook to Mrs. Sellmer for assessment.
2. Student will receive a loaner chromebook. Parent will be notified via email.
3. Mrs. Sellmer will notify the student when the damaged Chromebook has been repaired and returned.
4. To receive the repaired Chromebook, the loaner Chromebook and charger must all be returned at one time to Mrs. Sellmer.

Loaner Damages and Replacement

In the event that a loaner device is damaged by the student, Mrs. Sellmer will contact the parents with information regarding the cost of the repair or replacement device. Costs will be charged via FACTS, or paid directly to the school.

Should you have any questions, please email Mrs. Sellmer ksellmer@stjohnpaulschool.org or Mrs. Haas khaas@stjohnpaulschool.org
