Who Benefits from SPICE?
As spice adds flavor to food, children with special needs add richness to our lives. The inclusion of all children in our community promotes understanding, compassion, and respect for all. Our intent is to keep families together in the same school environment. When we work together and learn to appreciate individual strengths and weaknesses, everyone wins!

How can I help SPICE?
Please prayerfully consider a tax-deductible donation to support our special needs families and the additional tuition obligations they face to educate their children. St. Laurence Catholic School is a non-profit 501(c)(3) organization. SPICE parents host an annual fundraising luncheon and you are invited to attend to find out more about SPICE.

For more information, please contact our Director of Support Services or Director of Advancement at 281-980-0500.

But Jesus called them to Him, saying “Let the children come to me, and do not hinder them; for to such belongs the kingdom of God.”

~Luke 18:16

St. Laurence Catholic School SPICE recognizes each of our children as a unique individual with different learning needs.

SPICE supports the educational needs of all students.

We believe every child has the potential to attain their personal best utilizing various learning styles while promoting diversity in the classroom environment.

Working together with the support of SPICE, the parish community, pastor, teachers, administration, and parents can help provide creativity, understanding, information, and willingness to address special educational needs.

- St. Laurence Catholic School strives to be an inclusive setting to educate the diversified learner. The SPICE program offers students the opportunity to receive their core academic course work in a smaller classroom environment with the appropriate resources, accommodations, and modifications needed to support their varied learning styles.

- Additionally, students are prepared with a “tool belt” of executive functioning skills and social skills in a one-on-one or small group setting. Placement is contingent upon administrative decision and comes at an additional cost to the family.

“What we need to see each child as a gift to be welcomed, cherished and protected.”

-Pope Francis, in his homily during the Concluding Mass of his Apostolic Journey to the Philippines

What is SPICE?

Special People In Catholic Education (SPICE) supports the education of children with special needs within our education community.
