Building a Church, Continuing a Mission
Core Committee Announcement

As a new year begins, the parish of the Most Blessed Sacrament has taken the first step in the process of rebuilding our church with the establishment of a Core Committee to direct and oversee the process.

Mr. Frank Bivona has agreed to Chair the Committee. The other members of the Core Committee will include parishioners Kevin Boswell, Mary Anne Clark, Antimo Del Vecchio, Nicholas Gentile, and Brian McAuley.

Each of these very qualified and dedicated committee members brings a particular area expertise to the process. Their backgrounds include insurance, construction, engineering, accounting and the law. We are very grateful for their willingness to serve our parish in this work.

In addition, four representatives of the Archdiocese of Newark will share their expertise in support of this effort: Steve Belloise, Director of the Office of Property Management, Nassar Shabo, Director of Construction, Donna Wrobel, Director of the Office of Risk Management and the Reverend Thomas Dente, Director of the Office of Divine Worship.

The first organizational meeting of the Core Committee took place on January 10, 2020. We will keep you updated about that meeting in next week's bulletin. Together we will follow the Lord with confidence: Building a Church.....Continuing the Mission.

Reverend John R. Job, Pastor
