

IMPORTANT: COVID19 GUIDELINES
For Shopping at Saint Leo the Great Religious Store

For the safety of our staff and our customers, please follow these guidelines when visiting our store.

MASKS ARE MANDATORY UPON ENTERING OUR STORE!

If you have a medical condition that prohibits you from wearing a mask, please contact our store (prior to coming) to make a private appointment during our off hours.

We are not able to accommodate during our regular business hours.

A member of our staff will greet you at the entrance of our store.

Please use gloves and/or hand sanitizer **BEFORE** entering our store.
For your convenience we have provided both hand sanitizer and gloves.

Note: Due to the fact that we have so many really unique and sometimes small items (that you may want to touch) in our store, we ask that you use either gloves and/or hand sanitizer in an effort to keep our great items clean and to stop the spread of germs.

Please ask for assistance when handling store items.

Keep Social Distance while shopping. Maximum of 6 people in the store.

If you are not feeling well, please visit our store when you are feeling better.

If you do not feel comfortable coming to our store during normal hours, please call us and our staff will be happy to make you a private appointment!

Thank you so much and we look forward to seeing you!
