COHORT MEETINGS - Now that October is here, each of the Cohorts should have held at least one implementation progress meeting to review the comments sent by the Diocesan Implementation Commission and move along the work on the tasks you set for this year. The Project Managers continue to walk with you, provide assistance and encouragement.

REMINDER – The Diocesan Planning Commission requested that specific improvements to the Year 1 Implementation Plans for Cohorts 2, 12, 16, 17, 18, and 25 be submitted in October, 2017. If you have not already sent this, please forward your revised plan to the office as it is completed.

SHARE BEST PRACTICES - We are hearing of many wonderful initiatives, events, and programs! Congratulations on the excellent work being done by Cohort Implementation Teams and by Subcommittees. Attached is a sharing of “Best Practices” that have emerged from the first quarter.

DIOCESAN SUPPORT - Members of the diocesan staff are available to work with you at your request. They are very knowledgeable and eager to be of service to your Cohort, subcommittees and parishes.

MANY HANDS MAKE LIGHT WORK - Now is a good time to fill any vacancies on your Parish Implementation Team that have occurred. Progress toward your goals will rely upon insightful, dedicated, and creative people who can work well with others. Please let Sherrie Sporek in the Office of Diocesan Planning know, along with your Cohort Secretary/Recorder, when someone new is added to your “pastor + 4” parish team.
