Thank You for the intensive work of the last 12 weeks. The Year 1 Cohort Implementation Plans you have submitted represent a new moment in the Diocese of Trenton; a time of collaboration among parishes to bring about a strong and vibrant future for our Church.

A special word of thanks to the Cohort Chairs and Secretaries, as well as the Project Managers, that helped the cohort teams to build community and stay on task.

The members of the Diocesan Implementation Commission are studying your plans and will be meeting to discover the best ways to support your efforts. Please pray for these generous individuals who are sharing their time and experience in order to give you important feedback and encouragement. You can expect a response near the end of June.

Please plan to meet as a Cohort early in July to discuss the Implementation Commission's response and to initiate the actions in your plans. Throughout the year ahead, cohorts and subcommittees should meet often to sustain the community that is emerging among the parishes, monitor progress, and continue looking toward the future.

## Did you know....

The Church's work of evangelization is directed toward three groups of people:

1. to active Catholics who are in continual need of renewal and ongoing conversion;
2. to inactive Catholics whose faith may have become "lukewarm"
3. to those who have not yet encountered the Lord and do not know the salvation that comes through Christ.

In order to help you continue to integrate the focus on evangelization into everything you do, the Diocese is sponsoring "Together in Mission" – the Second Annual Diocesan Evangelization Conference, June 24, 2017 at St. David the King Parish in West Windsor.
