

Lawn Signs to Promote Catholic Marriage

Objective 3 of the diocesan Plan for Strengthening Marriage: To influence the decision of Catholics to marry in the Church through the development and widespread dissemination of a compelling message about Catholic marriage.

As part of our on-going campaign to promote the beauty and truth of Catholic marriage, the Department of Evangelization and Family Life produced and distributed a number of beautiful, durable, double-sided lawn signs that are available for parishes on a first come – first served basis.

We suggest that parishes place these signs in strategic, highly visible areas on your parish campus for the month of February and beyond, and perhaps distribute some to married couples who would proudly display one on their front lawn. Parishes may request up to 20 signs from the Department of Evangelization and Family life based on availability, to be hand-delivered to your parish.
